

Payal Kohli, MD, FACC

Associate Clinical Professor of Medicine, University of Colorado Anschutz

Founder and Medical Director, Cherry Creek Heart

Director of Medical Communications, Baim Institute for Clinical Research, Harvard Medical School

Tegna Broadcasting On-Air Medical Expert

450 University Boulevard, Denver, CO 80206

Phone (617) 763-3827 • Fax (833) 916-2265

payal.kohli@post.harvard.edu

Education and Post-graduate training

- (1998-2002) Massachusetts Institute of Technology
Bachelor of Science (B.S.) in Biology
Bachelor of Science (B.S) in Brain and Cognitive Sciences Concentration in Economics
Awarded Most Outstanding Academic Record (GPA 5.0/5.0)

- (2002-2007) Harvard Medical School
Health Sciences and Technology Program
Doctor of Medicine (M.D.)
Degree awarded Magna Cum Laude (with honors)

- (2007-2008) Internal Medicine Internship
Brigham and Women's Hospital, Harvard Medical School

- (2008-2009) Anesthesia/Critical Care Residency
Massachusetts General Hospital, Harvard Medical School
Awarded Beecher Fellowship for Faculty Appointment at MGH

- (2009-2011) Internal Medicine Residency
Brigham and Women's Hospital, Harvard Medical School
ABIM Certified in Internal Medicine 8/2011

- (2011-2012) Clinical Research Fellowship
Thrombolysis in Myocardial Infarction (TIMI) Study Group
Brigham and Women's Hospital, Harvard Medical School

- (2012-2015) Cardiovascular Disease Fellowship
University of California San Francisco (UCSF) ABIM Board
Certified in Cardiovascular Medicine 10/2015

- (2014-2015) Cardiovascular Disease Prevention Fellowship
University of California San Francisco (UCSF)

(2014-2015) Advanced Echocardiography Fellowship (Level III)
University of California San Francisco (UCSF)
ASE Board Certified in Comprehensive Echocardiography 7/2015

Other Specialized Training

(July-August 2010) Harvard Business School: Value-Based Healthcare Delivery

(2021-2023) American College of Cardiology: Leadership Academy

Academic Appointments

2011-2012 Brigham and Women's Hospital Harvard Medical School
Instructor of Medicine
Boston, MA

March 2021-present University of Colorado Hospital
Associate Clinical Professor of Medicine (promotion approved)
Aurora, CO

July 2022-present Baim Institute for Clinical Research
Director of Medical Communications
Boston, MA

Hospital, Government or Other Professional Positions

August 2015-September 2017 Colorado Permanente Medical Group (Kaiser Permanente)
Division of Cardiology
Noninvasive Cardiologist
Denver, CO

November 2017-October 2019 Heart and Vascular Institute of Colorado
Division of Cardiology
Noninvasive Cardiologist; Clinical Lead, Women's Heart Program;
Site Lead, Good Samaritan Hospital; Vice Chair of Cardiovascular
Services, Good Samaritan Hospital; Medical Director, Good Samaritan
Hospital Cardiac Rehabilitation
Denver, CO

January 2020-present 9News/KUSA, Tegna Broadcasting On-Air Medical Expert

January 2020-present	Cherry Creek Heart Founder and Medical Director Denver, CO
March 2020-present	‘Daily Blast Live’ National On-Air Medical Expert Tegna Broadcasting National On-Air Medical Expert
March 2021-present	Rocky Mountain Veterans Affairs Medical Center Aurora, CO

Honors, Special Recognitions and Awards

(1998)	Cornell University Presidential Scholarship
(1998)	Wellesley College Book Award
(1999)	Massachusetts Institute of Technology (MIT) Most Outstanding MedLink
(2000, 2001)	Golden Key National Honor Society National Dean’s List
(2001)	Induction into National Society of Collegiate Scholars
(2001)	Massachusetts Institute of Technology (MIT) Most Outstanding Associate Advisor
(2002)	Massachusetts Institute of Technology (MIT) Most Outstanding Academic Record
(2002)	Massachusetts Institute of Technology (MIT) Walle Nauta Research Award
(2006)	Harvard Medical School Neil Ghiso Fellowship
(2007)	Harvard Medical School Magna Cum Laude
(2008)	Massachusetts General Hospital Beecher Research Scholarship
(2012)	European Society of Cardiology Congress Best Scientific Content and Highest Scored Abstract
(2013)	Best Fellow-in-Training Poster at American College of Cardiology Scientific Sessions
(2013)	American Heart Association Women In Cardiology Trainee Award for Excellence
(2013)	National Institutes of Health T32 Training Grant
(2014-15)	Lamond Endowed Fellow in Cardiovascular Disease, University of California San Francisco
(2014)	American College of Cardiology Bristol-Myers Squibb Award
(2014)	American Heart Association Samuel A. Levine Young Clinical Investigator Award
(2014)	National Institutes of Health (NIH) Loan Repayment Award
(2015)	American College of Cardiology Young Investigator Award
(2015)	Canadian Journal of Cardiology Recognized Reviewer

(2015)	Conference on Retroviruses and Opportunistic Infections (CROI)
	Young Investigator Award
(2015)	Doximity Fellowship
(2016-present)	Fellow of the American College of Cardiology
(2018-2019)	Doximity Authors
(2018)	RockStar of The Rockies
(2020-2022)	American College of Cardiology Leadership Academy
(2020)	Doximity “Doxie” Award for Excellence
(2020)	Colorado Rotary Club Paul Harris Fellow
(2020)	9News Excellence to the Core Award
(2022)	5280 Top Doctor Denver
(2022)	American College of Cardiology “Cardiologist of the Year”

Membership in Professional Organizations

American College of Cardiology (2011-present)
 American Heart Association (2011-present)
 American College of Cardiology, Women in Cardiology Council (2011-2016)
 American College of Cardiology, Innovation Council (2019-2020)
 National Lipid Association (2020-present)
 American Society for Preventive Cardiology (2022-present)

Major Committee and Service Responsibilities

National and Regional

2008-2009	Massachusetts Medical Society CME Committee
2012-2014	ACC CardioSource Usability Workgroup
2013-2015	ACC Women in Cardiology Leadership Council
2015-2016	ACC Fellows in Training, Career Development Leader
2017-present	MIT Educational Council
2018-present	Practicing Wisely/Motive Medical Board of Advisors
2018-2020	Doximity Authors
2018-2019	Grand Rounds/ Included Health Expert Consultant
2019-present	ACC/ACCSAP/ABIM Performance Question Writer
2019-present	Doximity Advisory Board
2019-present	Trustee to Board of Advisors, Colorado ACC
2020-present	DocWire News Section Advisor
2020-present	MashUp Medical Lead
2022-present	2 nd MD Expert Consultant

Local

2005-2007	Harvard Medical School M.D. Admissions Committee
-----------	--

2009-2011	BWH Code Team and Emergency Response Committee
2009-2011	BWH Housestaff Committee
2010-2011	BWH Intensive Care Unit Curriculum Redesign Task Force
2010-2011	BWH Clinical Pathological Correlation/NEJM Case (CPC) Committee
2010-2011	BWH Drug Safety
2010-2011	BWH Housestaff Selection Committee
2010-2012	Harvard Medical School of M.D. Advisors
2016-2017	Kaiser Permanente Lipid Guidelines Committee
2017-2019	Heart & Vascular Institute of Colorado/Good Samaritan Hospital Site Lead
2019-2019	SCL Health Women's Heart Health Steering Committee, Chair
2019	Good Samaritan Hospital Cardiovascular Services, Vice Chair
2019	Good Samaritan Hospital Performance Excellence Committee
2021-present	American College of Cardiology Colorado Chapter Program Planning Committee

Certifications and Licensures

08/2011	Board-certified in Internal Medicine, ABIM
10/2015	Board-certified in Cardiovascular Medicine
07/2015	Board-certified and Level 3 certified in Comprehensive Echocardiography, National Board of Echocardiography certification
01/2015	ARDMS Registered Physician in Vascular Interpretation (RPVI) certification
12/2016	Board-certified Level 2 certified in Nuclear Cardiology, Certification Board of Nuclear Cardiology
	Board-eligible Level 2 certified in Cardiac CT.
	Colorado Medical License (Active full license) #DR.0054941
	DEA certification
Lapsed	Massachusetts Medical License
Lapsed	California Medical License

Editorial Board Leadership/Membership

2012-2014, 2017-present	CardioSource World News/Cardiology, Editorial Consultant and Columnist
2012-2019	Clinical Cardiology, Editorial Board
2013-2019	Consultant Live Continuing Medical Education, Editorial Board
2013-2017	Journal of the American College of Cardiology Cardiovascular Imaging, Assistant Editor
2014-2015	Journal of the American College of Cardiology, Section Editor, Media
2017-2022	American College of Cardiology ACCEL, Assistant Editor and Early Career Contributor
2017-present	American College of Cardiology ACC.org, Prevention Section Associate Editorial Team Lead
2018-present	Medscape Cardiology Consult Chief Editor, Cardiology
2019-2020	Current Atherosclerosis Reports, Section Editor, Women and Ischemic Heart Disease
2020-present	DocWire and MashUP MD, Medical Lead

Ad Hoc Peer Reviewer

2011-present	American Journal of Cardiology, Ad Hoc Reviewer
2011-2012	Annals of Internal Medicine, Ad Hoc Reviewer
2011-2015	Critical Pathways in Cardiology, Ad Hoc Reviewer
2011-present	Clinical Cardiology, Ad Hoc Reviewer
2011-present	Journal of Cardiovascular Pharmacology and Therapeutics, Ad Hoc Reviewer
2011-2015	Reviews in Cardiovascular Medicine, Ad Hoc Reviewer
2011-2015	Public Library of Science, Ad Hoc Reviewer
2013-2015	Journal of Thrombosis and Thrombolysis, Ad Hoc Reviewer
2015-present	Canadian Journal of Cardiology, Ad Hoc Reviewer
	Awarded Recognized Reviewer (2015)
2018-present	European Heart Journal, Ad Hoc Reviewer
2018-present	Journal of the American College of Cardiology Cardiovascular Imaging, Reviewer
2019-present	Current Atherosclerosis Reports
2019-2021	American Journal of Cardiovascular Drugs
2020-present	European Journal of Preventive Cardiology, Ad Hoc Reviewer

Clinical Trial Leadership Roles

Trial Steering Committee (2010-2012), LAPLACE- TIMI 57: A Randomized Controlled Trial of AMG145 in Hypercholesterolemic Subjects on Background of Statin Therapy.

National/International Principal Investigator (2011-2012), LAPLACE- TIMI 57: A Randomized Controlled Trial of AMG145 in Hypercholesterolemic Subjects on Background of Statin Therapy, Trial Principal Investigator (2010-2012).

In my role as one the three national/international TIMI Principal Investigators for this Phase II RCT, I played an integral role in protocol design and implementation, writing of the methods publication, training of trial sites, implementation of trial operations and logistics, oversight of statistical design and methods, review and critical analysis of the results and writing and publication of the primary

TIMI Trials Hotline (2011-2012)

Addressing and resolving any protocol questions or protocol violations that occurred by sites for over 10 ongoing TIMI clinical trials.

STASYS 510K Study Site Principal Investigator and Trial Consultant (2022)

FDA clearance trial: Measuring platelet strength as a predictive indicator of anti-platelet medication and inhibition presence: a comparative evaluation protocol.

Invited Presentations

Local

2006	Harvard Medical School Combined MD/PhD Grand Rounds
------	---

“A 42-year old man with headache”

- 2011 Brigham & Women’s Hospital Heart Happenings Program:
A Symposium for Patients Who Have Survived Heart Attacks
Department of Cardiovascular Medicine Brigham & Women’s Hospital
Boston, MA
- 2012 South Shore Hospital Cardiology Grand Rounds
“Approach to The Patient with low HDL”
Weymouth, MA
- 2014 University of California San Francisco Cardiovascular Division Grand Rounds
“The Role of PCSK9 in Cholesterol Homeostasis, Response to Statins and
Cardiovascular Risk in HIV+ Patients”
San Francisco, CA
- 2015 American Heart Association PULSE Charity Fundraising
“The ABCs of Cardiovascular Prevention” (lay audience)
San Francisco, CA
- 2015 University of California San Francisco Primary Care Division Grand Rounds
“Heart Health in Women: 2015 Update”
San Francisco, CA
- 2015 University of California San Francisco Echocardiography Grand Rounds
“Echo for Transcatheter Aortic Valve Replacement”
San Francisco, CA
- 2015 University of California San Francisco Osher Mini Medical School for Lay Audience
“Cholesterol: What Is It and When To Treat It”
San Francisco, CA
- 2015 Kaiser Permanente Hospitalist Journal Club
- 2016 Kaiser Permanente Hospitalist Journal Club
- 2017 Optimal Duration of Anti-Platelet Therapy: Kaiser Permanente Primary Care Rounds
Highlands Ranch, CO
- 2017 Ambulatory ECG Monitoring: Kaiser Permanente Primary Care Rounds
Parker, CO
- 2017 Kaiser Permanente Hospitalist Journal Club
- 2018 Good Samaritan Hospital Grand Rounds
“Women’s Heart Health: Bridging the Gender Gap” 2018
Lafayette, Colorado

- 2019 Good Samaritan Hospital Grand Rounds
“Hot Topics in Cardiology in 2019” 2019
Lafayette, Colorado
- 2021 Vascular Institute of the Rockies Symposium
“A Tale of Two Viruses Causing Vascular Inflammation: HIV and COVID-19”
Denver, CO, September 2021
- 2022 Vascular Institute of the Rockies Symposium
“Updates in Lipid Lowering: What’s New in 2022”
Denver, CO, September 2022
- 2023 Contemporary Lipid Management in 2023: A Case-Based Update
Grand Rounds, Medical Center of Aurora
Aurora, CO, February 24, 2023

Regional

- 2012 REVEAL-TIMI 55 Investigator/Research Coordinator Meeting
“Atherosclerosis and LDL-lowering therapies”
Boston, MA
- 2012 REVEAL-TIMI 55 Investigator/Research Coordinator Meeting
“Atherosclerosis and LDL-lowering therapies”
Miami, FL
- 2012 Thrombolysis in Myocardial Infarction Scientific Symposium
“The Prognostic Utility of Serial C-Reactive Protein Levels after an Acute Coronary
Syndrome: An Analysis from PROVE-IT TIMI 22”
Chicago, IL
- 2012 PLATO Steering Committee
“Reduction in First and Recurrent Cardiovascular and Ischemic Events with Ticagrelor
Compared with Clopidogrel in the PLATO Study”
Chicago, IL
- 2012 Editors of the Heart Group Journals Board Meeting
(Editors-in-Chief of all premier cardiovascular journals)
“The Importance of Matching Language to Study Type”
Chicago, IL
Munich, Germany
- 2017 “Watchman: A Viable Option for Stroke Risk Reduction in Nonvalvular
Atrial Fibrillation”
Denver, CO

- 2018 ACC Colorado Chapter CHF Summit 2018
“Pain and Pleasure: The Clinical Case of A New Mother” Quiz the Cardiologists
Colorado Springs, CO
- 2019 ACC Colorado Chapter CHF Summit 2019 “Guideline Updates from 2019”
“All You Need to Know About Maintaining Board Certification”
Colorado Springs, CO
- 2021 ACC Colorado Chapter Moderator and Speaker: 2020 Year in Review May 1, 2021

National/International

- 2012 LAPLACE-TIMI 57: A Randomized Control Trial of AMG 145
(PCSK9 inhibitor) in Hypercholesterolemic Subjects on a Background of Statin Therapy
Full-day training session for national and international principal investigators to
train on the background, rationale and protocol design of LAPLACE-TIMI 57.
TIMI Study Group, Boston, MA (sponsored by Amgen, Inc.)
Palmer House Hilton, Chicago, IL (sponsored by Amgen, Inc.)
Radisson Blu, Amsterdam, Netherlands (sponsored by Amgen, Inc.)
- 2014 Pfizer Atorvastatin Trials Advisory Board
Statins and Risk of New-Onset Diabetes
New York, NY
- 2014 Amgen HIV Evolocumab Advisory Board
The Role of PCSK9 in Cholesterol Homeostasis in HIV+ Patients
Washington, DC
- 2016 Co-Chair, American College of Cardiology Women in Cardiology Session
“Crossing the Borders: Lessons from International Luminaries and Women Outside the
Clinic” ACC Scientific Sessions 2016
Chicago, IL
- 2018 Boston Scientific Watchman Noninvasive Faculty Advisory Board
Minneapolis, MN
- 2019 ACC Scientific Sessions 2019
“Does My Patient Have Intermediate Risk or Indeterminate Risk?”
New Orleans, LA
- 2019 Best of ACC 2019: China
Faculty
Shanghai, Guangzhou, Foshan, China
- 2019 Boston Scientific Faculty Leadership Program
Minneapolis, MN

- 2019 Watchman Education Program
“An Imager’s Perspective on Watchman Patient Selection”
Denver, CO
- 2019 Esperion Lipid Lowering Advisory Board
Salt Lake City, UT
- 2019 Watchman Education Program
“AF Stroke Risk Reduction Strategies: Economic Considerations for the Payer,
the Provider and the Patient”
New York, NY
- 2020 Society for Cardiovascular Angiography and Interventions Scientific Sessions
“LDL Lowering For the Interventionalist: PCSK9 Inhibition Clinical Trial Data”
Atlanta, GA (virtual session due to COVID-19)
- 2020 Moderator, Twitter Chat: Discussion of PINNACLE-FLX
Boston Scientific
- 2020 Understanding HF Disease Progression and How to Optimize Guideline-Directed
Medical Therapy Including the Rule of ARNI in Novel Heart Failure Therapy
Shanghai, China (Virtual Webinar in collaboration with ACC and Chinese Society of
Cardiology)
- 2021 Best of ACC 2021: Highlights of ACC.21 Video With Drs. Deepak Bhatt and Kim Eagle
Virtual Session, May 2021
- 2021 Great Wall of China International Congress of Cardiology/ACC in China
AMI and ARNI post-MI
Virtual Session, May 2021
- 2021 Pearls of ACC India: Practice-Changing Trials
Virtual Session, June 2021
- 2021 Voice of the Customer: Doximity

Virtual Session, September 2021
- 2021 Best of AHA 2021: Highlights of AHA.21 Video
With Drs. Deepak Bhatt and Kim Eagle
Virtual Session, November 2021
- 2021 TCT 2021: Transcatheter Cardiovascular Therapeutics Conference
What’s Novel in Interventional Hypertension: A Noninvasive Perspective
Virtual Session, November 2021

- 2022 The Future of Lipid Management: Challenges and Frontiers
Novartis Inclisiran International Launch
Virtual Session, January 2022

- 2022 Innovation in Education in 2022: Novartis Advisory Board
Virtual Session, March 2022

- 2022 ACC 2022 Scientific Sessions
Special Populations and Challenges in Lipid Management, Session Co-Chair
Washington DC, April 2022

- 2022 Best of ACC 2022: Highlights of ACC.22 Video
With Drs. Deepak Bhatt and Kim Eagle
Virtual Session, April 2022

- 2022 A Focus on Very High-Risk Patients in the Acute Setting:
Understanding Vulnerable Plaque and Prioritizing LDL-C
Amgen Expert Theater, ACC 2022
Washington DC, April 2022

- 2022 Update on Atrial Fibrillation, Anticoagulation and Alternatives to Consider
Boston Scientific Expert Theater, ACC 2022
Washington DC, April 2022

- 2022 Emerging Data on Safety and Effectiveness of LAA Closure:
Real World Decision-Making and Key Updates on Pharmacologic Treatment of Stroke
Boston Scientific Expert Theater, ACC 2022
Washington DC, April 2022

- 2022 Optimal Educational Strategies for the Cardiovascular Clinician
Novartis Advisory Board
Virtual Session, April 2022

- 2022 Non-statin LDL-C Lowering – Preventive Cardiovascular Nurses Association
Esperion
Virtual Session, May 2022

- 2022 National Lipid Association 2022
One Patient: Three Perspectives on Lipid Lowering (Cardiovascular Focus)
Scottsdale, Arizona, June 3, 2022

- 2022 A Focus on Very High-Risk Patients in the Acute Setting:
Understanding Vulnerable Plaque and Prioritizing LDL-C
Amgen Expert Theater, NLA 2022
Scottsdale, Arizona, June 2022

- 2022 Pearls of ACC India: Practice-Changing Trials
Indian Subcontinent (Virtual Session), >2500 attendees, June 3, 2022

- 2022 Indications for Left Atrial Appendage Closure: Identifying the Appropriate Patient
Boston Scientific: Fellows 101 Course
Boston, MA, June 12, 2022

- 2022 Cardiovascular Innovations 2022
Contemporary Lipid Management Post-PCI
Denver, CO, July 21, 2022

- 2022 A Focus on Very High-Risk Patients in the Acute Setting:
Understanding Vulnerable Plaque and Prioritizing LDL-C
Amgen Expert Theater, ASCP 2022
Knoxville, Tennessee, July 29, 2022

- 2022 Contemporary Lipid Management in 202: A Case-Based Update and
Review of Expert Consensus Document,
Virtual, September 2, 2022

- 2022 LDL-C Lowering: Are We There Yet?
Amgen Expert Theater
Chicago, IL, November 6, 2022

- 2022 AHA 2022: Data Highlights & Key Opinion Leader Perspectives Webinar
Amarin Investors Meeting
Chicago, IL, November 7, 2022

- 2022 The AF Patient - From Detection to Protection, A WATCHMAN Medical Education West
Coast Program
Scottsdale, AZ, November 11-12, 2022

Teaching Activities

Mentoring of Trainees

Anubha Agarwal, B.S., Stanford University, candidate for M.D., Stanford University
 Farnaz Azarbal, M.D., Cardiology Fellow, University of California San Francisco
 Sameer Bhutani, candidate for B.S., University of San Francisco
 Kara Yeung, B.S., Stanford University, candidate for M.D., Harvard University
 Colleen Campbell, NP, candidate for Masters of Nursing, Kaiser Permanente Colorado
 Kellie Lyons, PA, Cherry Creek Heart
 Karl Gordon Patti, M.D., Cardiology Fellow, University of Colorado
 Justin Edwards, M.D., Cardiology Fellow, University of Colorado
 Abby Pribish, M.D., Cardiology Fellow, University of Colorado
 Eric Rudofker, M.D., Cardiology Fellow, University of Colorado
 Emily Kaufman, NP, Cherry Creek Heart

Teaching of Students in Courses

August-Dec. 2003	Harvard Medical School Molecular Biology and Genetics in Modern Medicine Teaching Assistant for 1st year medical and 2nd and 3rd year PhD students
January 2005	Harvard Medical School Musculoskeletal Pathophysiology Teaching Assistant for 1st year medical and 2nd and 3rd year PhD students
August-Nov. 2005	Harvard Medical School Human Reproductive Biology Teaching Assistant for 2nd year medical and 2nd and 3rd year PhD students
February-May 2010	Harvard Medical School Introduction to Clinical Medicine Clinical Preceptor for 2nd year medical students

Formal Teaching of Residents, Clinical Fellows and Research Fellows (post-docs)

2009	Airway Management for the Internist 1st, 2nd and 3rd year medicine residents
2010	Teaching Resident 1st, 2nd and 3rd year medicine residents
2010-2011	Intravenous Conscious Sedation Certification Course 2nd and 3rd year medicine residents
2012-13	Fundamental and Contemporary Topics in Cardiology 1st, 2nd and 3rd year medicine residents, 3rd and 4th year medical student, and pharmacy students
2015	Heart Health in Women: What You May be Missing Primary care faculty, 1st, 2nd and 3rd year medicine residents, 3rd and 4th year medical student, and pharmacy students

Clinical Supervisory and Training Responsibilities

2009	General Medical Service Brigham & Women's Hospital Supervising Resident for Sub-Interns
2010	General Medical Service Brigham & Women's Hospital Preceptoring 3rd year medical students, who are taking histories and performing physical examinations.
2013	Cardiology Consultation Service University of California, San Francisco Preceptoring 4th year medical students, and 2nd year medical residents rotating on the cardiology consultation service.
2021-present	Veterans Affairs Medical Center, Aurora, CO Precepting Cardiovascular Disease Fellows in outpatient clinic

Laboratory and Other Research Supervisory and Training Responsibilities

2004-2006	Training of undergraduate students and research technicians Brigham & Women's Hospital Boston, Massachusetts
